PROFILE

International marketing and brand communications professional with experience in renewable energy and artificial intelligence industries. Hands-on expertise across paid media, social media, content marketing, SEO, GEO, product launches, and international exhibitions. Experienced in coordinating agencies, vendors, and regional teams worldwide. Skilled in leveraging generative AI and AI-assisted workflows, including OpenAI Codex CLI, to optimize content creation, research, and workflow automation.

PROFESSIONAL EXPERIENCE

International Brand Promotion Specialist | Growatt New Energy

May 2025 – Sep 2026, Shenzhen, China

- Co-managed an annual paid-media budget of approximately €110,000 across LinkedIn Ads (€77,000), Google Ads (€26,000) and Meta Ads (€6,500), covering campaign planning, regional allocation, and performance monitoring.
- Managed global content and digital channels across LinkedIn, Facebook, Instagram, TikTok, X, YouTube and corporate websites, integrating organic content, paid advertising and SEO/GEO initiatives.
- Led integrated communications for international product launches, exhibitions and customer campaigns, delivering newsletters, blogs, press releases and social media content.
- Coordinated agencies, vendors and regional teams across Europe, APAC, the Americas and MEA; supported localization, internal training and exhibitions including Intersolar Europe in Munich.

Channel Marketing Specialist (Social Media) | TAL Education Group

Aug 2024 – Mar 2025, Hangzhou, China

International Marketing Full-time Intern | Laiye (AI Industry)

Jun 2023 – May 2024, Beijing, China

- Managed bilingual channels including LinkedIn, YouTube and English/Chinese corporate websites; independently produced news release, blogs, and customer case studies brochure.
- Supported product launches, webinars and corporate campaigns, coordinating content, design, publishing, external vendors and cross-border teams in France and Hong Kong.

Video Editor Intern (English News Production) | China Daily
